and Family Services.

Dear Prospective Family:

We are in the process of inputting your information on the AUK website and have identified that additional information needs to be provided that is not on our ALS 2 Registration form to complete this process. Please complete the following information below and return to AICI. Thanks for your cooperation.

Part II. Information about your Family:

(1) Please indicate if you are:

Married: _____ Separated: _____ Single (never married) _____ Single (widowed) _____
Single (divorced) _____ Date of Marriage: (if applicable) _____

(2) In order to build a profile for each individual living in your home, please list the following information on each: (please use an extra sheet of paper)

First and Last Name	How is this person related to you	Birth Date	Gender	Race	Placement Date	Adoption Finalization Date

Part V. Authorizing Signatures:

/_/_ I authorize AICI to register my family on the AdoptusKids website for matching with Illinois children. I am providing the following information needed for this registration:

- original date of licensure _____
- license renewal date (if applicable) _____
- email address _____
- please choose a password _____
(6-12 letters including numbers)

/_/_ I do not authorize AICI to register my family on the AdoptusKids website.

Note: An email address and password is required for all families to be listed on AUK website. Please return all information to:

Adoption Information Center of Illinois
